Rivet-Machines. Cartridge and Special Machinery.

Waterbury, Conn. Oct 24 1889

Col O. C. Brosbyshell

Dear Sir:

I regret very much that we have not finished the Press you wanted by Oct 15th. There is still about one weeks work to do and we are hurrying all we can.

We would like to take up the big Hydraulic for you or have you placed it elsewhere?

Yours Respectfully

THE WATERBURY FARREL FOUNDRY & MACHINE CO.

by W. E. Fulton.

Treasurer.
